Dedication

The Cardinal Annual Staff of 1969 feels it can bestow no greater honor than dedication upon a faculty member.

You were born on May 15, 1919 in what is now known as downtown Los Angeles. You moved with your family to Alhambra and later East Los Angeles.

As a youngster you worked picking fruit, you attended schools and theatres where Mexican-Americans sat apart from Anglos as if they were lepers. You cut school often, because of the lack of interest in your education and welfare was too obvious to ignore. You attended Belvedere Jr. High and later graduated from Garfield High School, where you were A. S. B. President, your Senior year.

At the age of 18 you began organizing a social club for Mexican-Americans. It was doing this that you met Socorro Provencio, who on furlough, in 1942 became your wife.

In 1940 you volunteered for the national guard and later transferred to the Medical Corp and the 101st regiment. The five years you spent in the service, and the G. I. Bill opened your eyes to make you realize what you could do not only for yourself, but for youngsters who might have experienced the same sort of childhood as you. In 1945 you returned home for Christmas Eve, just as you had promised Cora you would.

Two children and five years later you decided that the world was no place for a Mexican-American without a college education. You then worked very hard as a cook and unloaded box cars in order to earn enough money to get you through college. You

entered East Los Angeles Jr. College and won the Time Magazine award for a world government essay. Then you went on to the University of Southern California and South-Western University of Law, and finally you graduated from Cal State, at Los Angeles.

You taught for a year at Cal State L. A., but decided that you enjoyed students on the high school level more. You then taught at Pasadena High School, and finally at Whittier High School in 1961. For seven years you taught Graphic Arts and advised the Annual Staff. In 1968 you became Project Director of the New Horizons Program.

Your home is now in La Puente with your wife Cora, and three children, Christina, David, and Cecilia. You are well known for your interest in community problems, especially in the field of education.

You have been described as one who, "forges ahead for what he believes in . . . especially kids; he wants so much to have them believe in themselves and what they can do; they need help and he is ready to battle anyone who won't admit it!" Your wife uses an excerpt from a song in "The King and I" to describe you, "He has a thousand dreams that won't come true, but you know he believes in them and that's enough for you."

For your understanding, and unending interests and love, we of the Whittier High School Annual Staff take pride in dedicating this 1969 Cardinal Annual to you,

MR. ARTURO FRANCO.

Class of 1963

Richard Milhous Nixon, elected the 37th President of the United States, was born Jan. 9, 1913 in Yorba Linda, the second child and son of Francis A. and Hannah Nixon.

Richard had to help out in the market his mother and father owned in East Whittier. There he was responsible for all sorts of chores during his grade school and high school days.

President Nixon lived the first nine years of his life in Yorba Linda, where his father ranched and worked as a carpenter. At the age of nine, after his family had moved to East Whittier he entered East Whittier elementary school. He then attended Fullerton High School for two years transferring to Whittier High School after his sophomore year. He graduated as an honor student in 1930, and then enrolled that fall in Whittier College. After graduating from Whittier College with honors in 1934 he entered Duke University's law school, receiving a degree in 1937.

Nixon returned to Whittier then, taking a job in the law firm headed by Thomas W. Bewley. Patricia Ryan came to Whittier in the same year, to become a teacher at Whittier High School. Two years later they were married.

In 1946 he was called to run for Congressman for the local Congressional District. In 1948 he won re-election in the California primaries. Two years later he became a U. S. Senator.

In the house, Nixon played a leading role on the Committee of Un-American Activities and the investigation of Alger Hiss, a former State Dept. aide accused by Whittaker Chambers of Communist affiliations. While he was in the Senate, he sponsored bills to admit Alaska and Hawaii to the Union.

In 1952 Nixon was nominated as the Republican candidate for vice-President, the choice of presidential-nominee Dwight D. Eisenhower. Nixon brought a new dimension to the vice presidency. The second youngest vice president in history, participated more fully in the major activities of the new administration.

With the retirement of President Eisenhower in 1960, Nixon was nominated for the presidency by the Republican Party and lost the election to the late John F. Kennedy.

Tired, dejected and disturbed by his defeat and upset with the news media, Nixon told a conference of newsmen that he was through with politics.

In 1966, Nixon became chief spokesman for the Republican Party during that year's congressional campaigns. He spoke on behalf of Republican candidates in 35 states and 61 congressional districts. He brought great success to the House and the Senate, and the Republican leaders generally credited Nixon as a contributor to the victories.

Early in 1968 Nixon announced his candidacy for the President. He won by sizeable margins every presidential primary in which he entered, captured the Republican nomination and won the election.

Mike,
Well another
year of school is
gone and we're
juniors. I haven't
talked to you much
this year but being
in German with you
has been fun. Have
fun this summer.
See ya next year.

This year the Whittier High School band was fortunate to be invited by President Richard Milhous Nixon to march down Pennsylvania Avenue in the 37th inaugural parade.

The band is made up of 113 students ranging from 14 to 18 years of age. There are 85 musicians, 10 banner carriers, 4 majorettes, 7 pennant carriers and 7 flag twirlers.

The Whittier High School Band has won many awards during its history. They won Sweepstakes Blue Ribbon at the Chaffey Tournament in 1967. Sweepstakes at the Pioneer Band Jamboree in 1968, and many other awards in the past few years.

The band was courteously accepted in Washington, and the director of the band, Mr. Allen Trefry received a personal letter of recognition from President Nixon on January 24, 1969.

In Memorium . . .

By Nancy Talmachoff

An outstanding scholar and person is rare, and the loss of this kind of human being is felt deeply.

Larry Davidson, who ventured partly through high school with this year's graduating class, was such a person. However, his memory will not be terminated by his death which was brought about by leukemia.

Larry, during his 17 years, distinguished himself in many fields. He was deeply interested in science and mathematics and at the beginning of the 1968 school year served as a teaching assistant for Mr. Milton Borg, his chemistry instructor. Mr. Borg considers Larry to be among the five best chemistry students he has had in his years of teaching. Larry's love of music was demonstrated by his trumpet playing and membership in the Whittier High School Band for three years. He also participated in the school stage band, the Cardinal Orchestra, and the District Honor Band.

"He was a very good trumpet player and could always be counted upon to fulfill his responsibilities," observed Mr. Allan Trefry, Cardinal Band Director.

Larry was also a German ambassador during the summer of 1968, he was a tennis enthusiast, and the outdoors and family camping were other pleasures he enjoyed.

Apparent throughout his years in school was Larry's academic dedication. His inquisitive mind made him an honor student; he was a CSF member and received the Harvard Club Book Award.

Larry Davidson was planning for the future as are all his fellow class-mates and had decided to turn his ambitions and intellect toward the teaching field. A special fund, in memorium, has been established to provide book scholarships to other students who plan to enter the teaching field as Larry did.

Larry can never be separated from us; we shall dedicate ourselves to his memory.

Season's Highlights

As the new season began, Coach Vic Lopez installed a new offense to fit his personnel. In the initial game of the season, the new Cardinal offense abolished La Habra, 34-12. Bruce Vogen led the attack scoring three TD's and gaining 221 yards on the ground in 29 carries.

The charged Cardinals, in their next game, ran head on into the rugged Cal Hi Condors. When the final gun sounded, the Cardinals had lost the game, 13-0, and their star tailback, Bruce Vogen for the season with a broken leg.

The next opponent was, the soon to be CIF Co-Champions, El Rancho. The Dons crushed the Cards 32-0, led by the fabulous, All-CIF quarterback, Randy Drake. The Cards ended the pre-league season with a convincing 20-10 victory over Santa Fe. The tallies came on a 67 yard touchdown pass from quarterback Tim Foiles to end Bill Berekoff, and a 10 and a 6 yard run by Fran Kachaturian and Dan Kisling, respectively.

In the first league game the Cards ran over Sierra, 19-0. Foiles again led the attack throwing three TD passes, two to Bill Berekoff, and a 16 yarder to tight end, Jim Segovia.

The Cardinals were again on the winning track with Homecoming against a tough Montebello squad confronting them. It took Montebello until the last four minutes of the game to win and take away the coveted league championship. The final score ending 19-12. The Cardinals received an outstanding performance by junior tailback Kachaturian, totaling 153 yards.

The following week, the Cards dropped a close 7-6 decision to La Serna in a great defensive battle. Suddenly, the Cards found themselves with a losing record, with two games still remaining. To salvage a winning season, the

Cards must win the next two games, and they did just that.

They produced a convincing 23-0 shutout against Monte Vista; a game in which both the offensive and defensive units shined. Tim Foiles connected with flanker, Stu Smith, for two touchdowns, and ran for another one of 51 yards. The defense was led by linebacker, Dave Horowitz, who forced a safety and helped limit the Mustangs to 11 yards rushing. In the final game of the season, the Cards smashed Pioneer 27-7, paced again by a strong performance by both units.

The high point in the Cardinal season came when the All-Leaguers were announced. They placed Fran Kachaturian and Bill Berekoff on the first team offensive squad. David Horowitz, Alan Oganisian, Lewis Diaz, Stu Smith, and Fran Kachaturian were named as first defensive standouts. Tim Foiles, Jim Segovia, and Dan Kisling also picked up honorable mention honors.

Statistically, Fran Kachaturian was the leading rusher, gaining 711 yards and 6 touchdowns. Tim Foiles leading in all passing departments, completing 52% of his passes for 804 yards and 8 TD's, mostly to Bill Berekoff who hauled in 34 passes for 467 yards and 5 touchdowns. Defensively, Stu Smith intercepted 8 passes.

Swan Song

Sunday Morning at 11 O'clock:
still the most segregated single hour in American Society.*

"Phony" - is like "nigger," "kike, or "wop"; We're inclined to cremate each other, put the ashes in a small box, label it in an inhumanly ugly way, and put it on a shelf.

That way, we don't have to listen to each other.*

slaves are of no special color
an the links of chain
fall into no special order
and play God**

Paint is peeling off the walls in the run-down diner in a city slum.
Unemployed men sit silently at the counter sipping coffee.
The wooden door is rotting. The chairs are wobbly. It is cold,
inside and out
The jukebox is playing "I Wish You Love."*

i have seen what i've loved
slip away an vanish. i still
love what i've lost but t run
an try t catch it'd
be very greedy
for the rest of my life
i will never chase a livin soul
into the prison grasp
of my own self love**

Beginnings are awkward, time-consuming, interesting, and lead inevitably
toward involvements.
Endings are wise, functional and sad.*

Two Cars at Night on a Highway
One car in the distance, just two lights, like two very small bright
eyes on the horizon, coming closer, closer, now very close, now they
are here, now they have passed, now there is blackness
We will never know each other.*

i reply
pointin t my chin.
an she believes me
needs no other answer
i strum the guitar
she dances
laughs
her bandana flies
i too realize that
she will die here
on the side of this sea
her death is certain here
my death is unknown
an i come to think that i love her)**

i know no answers an no truth
for absolutely no soul alive
i will listen t no one
who tells me morals
there are no morals
an i dream alot**

i talk t people everyday
involved in some scene
good an evil are but words
invented by those
that are trapped in scenes**

i can't believe that i have
t hate anybody
an when i do
it will only be out of fear
an i'll know it**

Guerrilla Theology:
How many seminaries are teaching it?*

Why is the sun so red as it sets tonight?
Is it gorged with the blood of men who died today in war?*

*Malcolm Boyd
**Bob Dylan

Mike
It may be the
back of the book but
the front of the book was full
and you wanted me to sign it
so I'll put it here

John H.

Mike,
Have a nice
summer... might see
you next year,
37 St. Stephens Close.
Brace Road.
Walthamstow
London. E.17
England.

Mike
i wish you lot of luck
for next year and i
hope i'll see you again.

Rolf Ziemer

Mike,
It was exciting
and lustful in Johnson's
class but the summer
should make up for it.
See you next year,
Dale.

Mike-
Wasn't German
fun? One good
thing is you
helped keep
me awake.
Shalom,

Staff Rules Jayne (Walker)

Mike,
It's been a lot of fun
this year with you in my
gym class - have fun this
summer + come over to
chew the fat - I'll see
you next year
